

## Fill in the gaps

(This song is (1) Wait and Bleed)	Makin' my mind up and takin' your breath away
I've (2) the hate (3) up in me	I've (11) the (12) (13) up in
Kneel down and clear the stone of leave	me
I wander out where you can't see	Kneel down and clear the stone of leave
Inside my shell, I wait and bleed	I wander out where you can't see
I've felt the hate rise up in me	Inside my shell, I wait and bleed
Kneel down and clear the stone of leave	I've (14) the hate rise up in me
I (4) out where you can't see	Kneel down and clear the (15) of leave
Inside my shell, I (5) and bleed	I (16) out (17) you can't see
Goodbye!	Inside my shell, I (18) and bleed
I wipe it off on tile, the light is brighter this time	Goodbye!
Everything is 3D blasphemy	You haven't (19) a thing
My (6) are red and gold	I haven't changed a thing
The hair is standing (7) up	My flesh was in my bone
This is not the way I pictured me	The pain was (20) free
I can't control my shakes!	You haven't learned a thing
How the hell did I get here?	I haven't (21) a thing
Something about this, so (8) wrong	My flesh was in my bone
I have to laugh out loud, I (9) I didn't like this	The pain was always free
Is it a dream or a memory?	I've felt the hate rise up in me
I've felt the hate rise up in me	Kneel (22) and clear the stone of leave
Kneel down and clear the (10) of leave	I (23) out where you can't see
I wander out where you can't see	Inside my shell, I wait and bleed
Inside my shell, I wait and bleed	I've felt the hate rise up in me
Get out of my head	Kneel down and clear the stone of leave
'Cause I don't need this!	I (24) out (25) you can't see
Why I didn't I see this?	Inside my shell, I wait and bleed
I'm a victim, Manchurian Candidate	And it waits for you!
I have sinned by just
