

Fill in the gaps

I Push my lingers into my	is better than the dream
Eyes it's the only (1) that slowly (2)	But I found out the hard way
the ache	Nothing is what it seems
But it's made of all the things I have to take	I push my fingers into my eyes
Jesus it never ends, to push it's way inside	It's the only thing that (9) stops the ache
If the pain (3) on	But it's made of all the things I have to take
I have screamed until my veins collapsed	Jesus it never ends, It works it's way inside
I waited as my time elapsed	If the pain goes on
Now all I do is live with so much fate	I'm not gonna (10) it
I've wished for this, I've bitched at that	All I've got
I've left behind this little fact	All I've got is insane
You (4) kill what you did not create	All I've got
I've gotta say what I've gotta say	All I've got is insane
And then I swear I'll go away	All I've got
But I can't promise you'll enjoy the noise	All I've got is insane
I guess I'll save the best for last	All I've got
My future seems like one big past	All I've got is insane
You're left with me 'cause you (5) me no choice	I push my fingers into my eyes
I push my fingers into my eyes	It's the only thing that slowly stops the ache
It's the only (6) that (7) stops	But it's made of all the things I have to take
the ache	Jesus it never ends, It works it's way inside
If the (8) goes on	If the pain goes on
I'm not gonna make it	I'm not gonna make it
Put me back together	
Or separate the skin from bone	
Leave me all the pieces	
Then you can leave me alone	
Tell me the reality
