

## Fill in the gaps

Like a (1)	don't (2)	a key
Your best friend I've come to be		
Please don't think of getting up for me		
You don't even need to speak		
When I've been here for just one day		
You'll already miss me if I go away		
So close the blinds and shut the door		
You won't need other friends anymore		
(Oh) don't leave home		
(Oh) don't leave home		
If you're (3)	'll keep you warm	
If you're low just hold on		
'Cause I will be your safety		
(Oh) don't leave home		
And I arrived when you were weak		
I'll make you weaker like a child		
Now all (4) le	ove you give to me	
When your heart is all I need		
(Oh) don't leave home
