

## Fill in the gaps

Take all our time...

Two weeks away	
It feels like the whole world should've changed	
But I'm home now	
And things still look the same	
I think I'll leave it till (1) to unpack	
Try to forget for one more night	
That I'm back in my flat on the road	
Where the cars never stop going through the night	
To a life (2) I can watch sunset	
I don't have time	
I don't have time	
I've still got (3) in my shoes	
And I can't shake the thought of you	
I should get on, forget you	
But why would I want to	
I know we (4) goodbye	
Anything (5) would've been confused but	
I wanna see you again	
Tomorrow's back to work and down to sanity	
Should run a bath	
And then clear up the mess I made (6)	_ I left
here	
Try to remind myself that I was happy here	
Before I knew that I could get on the plane and fly away	•
From the road where the cars	
Never stop going through the night	
To a (7) where I can watch sunset	

And take my time

I've still got sand in my shoes
And I can't shake the thought of you
I should get on, forget you
But why (8) I want to
I know we said goodbye
Anything else would've been confused but
I wanna see you again
I wanna see you again
I wanna see you again
Two weeks away
All it takes
To change and turn me around, I've fallen
I walked away
And never said that I wanted to see again
I've still got sand in my shoes
And I can't shake the thought of you
I should get on, forget you
But why would I (9) to
I know we said goodbye
Anything else would've been confused but
I wanna see you again
I wanna see you again
I wanna see you again
