

## Fill in the gaps

Never thought that I would grow so old of seeing the gold	Take me back
Still I (1) want it to go	Give it, up give it up to me
I would hold it up to my cold heart	'Cause I can't go on
Feel the way it used to start up	If your love isn't strong
Take me back, t-t-take me back	See I want it all
To the way that I was before	Give me, give me all your love
Hungry for what was to come	If you can't hold on
Now I'm longing for the way I was	Then baby, baby
You say you will, say you will save me	Don't save me now, no (if your love isn't strong)
You say you will, say you will (2) me	Baby, don't save me now (don't save me now)
You say you will, say you will save me	No, no
You say you will, say you will (ah, oh)	And if I had to beg for your love (again, again, again)
Take me back	Tell me, tell me
Give it up, give it up to me	Would it ever be enough (again, again, again)
'Cause I (3) go on	T-t-tell me
If your love isn't strong	And if I had to beg for your love (again, again, again)
See I want it all	Tell me, tell me
Give me, give me all your love	Would it (6) be enough (again, again, again)
But if you can't hold on	So baby, don't save me
Then baby, baby	No Baby, don't save me
Don't (4) me now, no (if your love isn't strong)	Baby, don't save me now (again, again, again)
Baby, don't save me now, no, no	No, no (if your love isn't strong)
All my life I wasn't trying to get on a high way	Baby, don't save me now (again, again, again)
I was wondering which way to go	No, no (if your (7) isn't strong)
Spending all of my damn time	Baby, don't save me now (again, again, again)
Leaving all the weight behind, yeah	No, no (if your love isn't strong)
Take me back	Baby, don't save me now (again, again, again)
T-t-take me back to the song how'd it (5) to go, oh	No, no, no (if your (8) isn't strong)
Screaming for what was to come	Don't save me (again and again)
Now I'm dreaming about the way I was	(Again and again and again)
You say you will, say you will save me	Don't (9) me (again and again)
You say you will, say you will save me	(Again and again and again)
You say you will, say you will save me	
You say you will, say you will (ah, oh)
