

## Fill in the gaps

Never thought that I would grow so old of seeing the gold	Take me back
Still I never (1) it to go	Give it, up give it up to me
I would hold it up to my (2) heart	'Cause I can't go on
Feel the way it used to start up	If (13) love isn't strong
Take me back, t-t-take me back	See I want it all
To the way (3) I was before	Give me, (14) me all your love
Hungry for what was to come	If you can't hold on
Now I'm longing for the way I was	Then baby, baby
You say you will, say you will save me	Don't save me now, no (if your love isn't strong)
You say you will, say you will save me	Baby, don't save me now (don't (15) me now)
You say you will, say you will save me	No, no
You say you will, say you will (ah, oh)	And if I had to beg for your (16) (again, again,
Take me back	again)
Give it up, give it up to me	Tell me, tell me
'Cause I cant go on	Would it ever be (17) (again, again, again)
If your (4) isn't strong	T-t-tell me
See I (5) it all	And if I had to beg for your love (again, again, again)
Give me, (6) me all (7) love	Tell me, tell me
But if you can't hold on	Would it (18) be enough (again, again, again)
Then baby, baby	So baby, don't save me
Don't save me now, no (if your (8) isn't strong)	No Baby, don't save me
Baby, don't save me now, no, no	Baby, don't save me now (again, again, again)
All my (9) I wasn't trying to get on a high way	No, no (if your love isn't strong)
I was wondering which way to go	Baby, don't save me now (again, again, again)
Spending all of my damn time	No, no (if your love isn't strong)
Leaving all the weight behind, yeah	Baby, don't save me now (again, again, again)
Take me back	No, no (if your love isn't strong)
T-t-take me back to the song how'd it (10) to go, oh	Baby, don't save me now (again, again, again)
Screaming for (11) was to come	No, no, no (if your love isn't strong)
Now I'm dreaming about the way I was	Don't (19) me (again and again)
You say you will, say you will save me	(Again and (20) and again)
You say you will, say you will save me	Don't save me (again and again)
You say you will, say you will (12) me	(Again and again and again)
You say you will, say you will (ah, oh)
