Waterfalls by TLC

Fill in the gaps

A lonely mother gazing out of the window	Leaving a trace of not on God given ray
Staring at a son that she just can't touch	Is it because my life is ten shades of grey
f at any time he's in a jam, she'll be by his side	I pray all ten fade away
But he doesn't realize he hurts her so much	Seldom praise Him for the sunny days
But all the praying just ain't helping at all	And like His promise is true, only my faith can undo
Cause he can't seem to keep himself out of trouble	The many chances I blew to bring my life to anew
So, he goes out and he makes his money	Clear blue and unconditional skies
The best way he knows how	Have dried the tears from my eyes, no more lonely cries
Another body laying cold in the gutter, listen to me	My only bleeding hope is for the folk who can't cope
Don't go chasing waterfalls	With such an enduring pain
Please stick to the (1) and the lakes that you	That it keeps them in the pouring rain
used to	Who's to blame for tooting caine in your own vein
know that you're gonna have it your way or nothing at all	What a shame, you shoot and aim for someone else's brain
But I think you're moving too fast	You claim the insane
Little precious has a natural obsession	And name this day in time for falling prey to crime
For temptation, but he just can't see	I say the system got you victim to your own mind
She gives him loving that his body can't handle	Dreams are (5) aspirations in hopes of
But all he can say is, baby, it's good to me	coming true
One day he goes and takes a glimpse in the mirror	Believe in yourself
But he doesn't recognize his own face	The rest is up (to me and you)
His (2) is fading and he doesn't know why	Don't go chasing waterfalls
Three letters took him to his final resting place	Please stick to the (6) and the lakes that you
You all don't hear me	used to
Don't go chasing waterfalls	I know that you're gonna have it your way or nothing at all
Please stick to the (3) and the lakes that you	But I (7) you're moving too fast
used to	Oh, you're moving too fast
know that you're (4) have it your way or	Don't go chasing waterfalls
nothing at all	Please (8) to the rivers and the lakes that you
But I think you're moving too fast	used to
Come on	I know that you're gonna (9) it your way or nothing
've seen a rainbow yesterday	at all
But too many storms have come and gone
