

Fill in the gaps

Dead in the water	You pay attention for me
It's not a paid vacation	As strange as it seems
The sons and daughters	I'd rather dissolve (10) have you ignore me
Of (1) officials (2) demonstrations	The ground may be (11) fast
It's (3) a (4) or swim	But I tied my boots to a (12) mast
When all is (5) if the ticket sells	The difference is clear
Out with a whimper	You throw it in your cauldron
It's not a blaze of glory	Rust and veneer
You look down from your temple	Dusk and dawn Steinways and Baldwins
As people endeavor to (6) it a story	You start with a (13) (14) of all
And chisel a marble word	the waste
But all is (7) if it's (8) heard	And (15) to taste
But I've got someone to make reports	But (16) my luck and damn (17)
That tell me how my money's spent	friends
To book my (9) and draw my plans	That keep on combing (18) (19)
So I can't tell what's really there	smiles
And all I need's a great big:	I save my (20) with half-assed guilt
Congratulations	And lay (21) the quilt upon the lawn
I'll keep your dreams	Spread my (22) and soak up:
	Congratulations
