Waiting For The Night by Nelly Furtado

Baby I know you're outside	We're running out of time, so baby hold me
In here it's warm and dry	Days go by
Got feelings that I've got to try expressing like	Day and night, day and night (day and night)
A language that I share with you	You blow my mind, blow my (7) (you blow my
Let's talk in the (1) way we do	mind)
Don't wanna be anywhere else but here with you	And I can't help, help myself at all
Feels so good	I can't help myself at all
Day and night, day and night	Day and night, day and night (day and night)
You blow my mind, blow my mind	You blow my mind, blow my mind (blow my mind)
And I can't help, help myself at all	And I can't help, help myself from falling
I can't hold back	So I'm waiting for the night
Day and night, day and night	I'm waiting, I'm waiting, I'm waiting
You blow my mind, blow my mind	I'm waiting, I'm waiting, I'm waiting
And I can't help, help myself (2) falling	I'm waiting, I'm waiting, I'm waiting
So I'm waiting for the night	So I'm waiting for the night
Baby I know it's late	I'm waiting, I'm waiting, I'm waiting
We've got decisions to make	I'm waiting, I'm waiting, I'm waiting
Think of what we could create together, with you	I'm waiting, I'm waiting, I'm waiting
I am never afraid	So I'm waiting for the night
To play with the highest stakes	And I (8) wanna see you
Nobody could (3) my rapture	I really wanna see you tonight
Day and night, day and night	And I (9) wanna see you now
You blow my mind, blow my mind (blow my mind)	I really wanna see you tonight
And I can't help, help (4) at all	Don't keep me waiting, waiting
I can't hold back	Don't keep me waiting for the night
Day and night, day and night	(Don't keep me waiting waiting for the night)
You (5) my mind, (6) my mind (yeah,	Don't keep me waiting, waiting

And I can't help, help myself from falling	(Don't keep me (10) waiting)
So I'm waiting for the night	Waiting for the night
I can't control it in the night, night, night	Waiting for the night
It's when I've got you on my mind, mind, mind	Waiting for the night
