## Fill in the gaps

### Waiting For The Night by Nelly Furtado

Baby I know you're outside	We're (13) out of time, so baby hold me
In here it's warm and dry	Days go by
Got feelings that I've got to try expressing like	Day and night, day and night (day and night)
A language that I share with you	You blow my mind, blow my mind (you blow my mind)
Let's (1) in the (2) way we do	And I can't help, help myself at all
Don't wanna be anywhere else but here with you	I can't help myself at all
Feels so good	Day and night, day and night (day and night)
Day and night, day and night	You blow my mind, blow my (14) (blow my mind)
You (3) my mind, blow my mind	And I can't help, help (15) from falling
And I can't help, help myself at all	So I'm (16) for the night
I can't hold back	I'm waiting, I'm waiting
Day and night, day and night	I'm waiting, I'm waiting
You blow my mind, blow my mind	I'm waiting, I'm waiting
And I can't help, (4) myself from falling	So I'm waiting for the night
So I'm waiting for the night	I'm waiting, I'm waiting
Baby I know it's late	I'm waiting, I'm waiting
We've got decisions to make	I'm waiting, I'm waiting
Think of (5) we could create together, with you	So I'm waiting for the night
I am never afraid	And I really wanna see you
To play with the (6) stakes	I (17) (18) see you tonight
Nobody could break my rapture	And I really (19) see you now
Day and night, day and night	I really wanna see you tonight
You blow my mind, blow my mind (blow my mind)	Don't keep me waiting, waiting
And I can't help, help (7) at all	Don't (20) me waiting for the night
I can't hold back	(Don't keep me (21)(22)
Day and night, day and night	(23) for the night)
You blow my mind, blow my mind (yeah, yeah)	Don't keep me waiting, waiting
And I can't help, help myself from falling	Don't keep me waiting for the night
So I'm (8) for the night	(Don't keep me waiting waiting)
I can't control it in the night, night, night	Waiting for the night
It's when I've got you on my mind, mind, mind	Waiting for the night
'Cause you're the (9) in my eye, eye, eye	Waiting for the night
I've got to get you in my life, life, life	Waiting for the night
Can't think of nothing worse (10) being lonely	Waiting for the night
I think you're the (11) (12) for	
one and only
