

## Fill in the gaps

I was born in the arms of imaginary friends	Your faith is strong
Free to roam, made a home	But I can only fall short for so long
Out of everywhere I've been	Time will hold, (4) on
Then you come crashing in	You (5) hate that I (6) gave more to
Like the realest thing	you
Trying my best to understand	Than half of my heart
All that your love can bring	But I can't stop (7) you (I can't stop loving
(Oh) Half of my heart's got a grip on the situation	you)
Half of my heart takes time	I can't (8) loving you (I can't stop loving you)
Half of my heart's got a right mind to tell you that	I can't stop loving you with half of my
I can't keep (1) you (I can't keep loving you)	Half of my heart
(Oh) With half of my heart	(Oh) Half of my heart
I was (2) to believe	Half of my heart's got a real good imagination
I'd never love somebody else	Half of my heart's got you
I made a plan	Half of my heart's got a right mind to tell you that
Stay the man who can only love himself	Half of my heart won't do
Lonely was the song I sang	Half of my heart is a shotgun wedding
'Til the day you came	To a bride with a paper ring
Showing me a (3) way	And half of my heart is the part of a man
And all that my love can bring	Who's never (9) loved anything
(Oh) Half of my heart's got a grip on the situation	Half of my heart
Half of my heart takes time	(Oh) Half of my heart
Half of my heart's got a right mind to tell you that	Half of my heart
I can't keep loving you (I can't keep loving you)	(Oh) Half of my heart
(Oh) With half of my heart	
With half of my heart
