Can't Fight The Moonlight by LeAnn Rimes

Under a lovers' sky
Gonna be (1)_____ you
And no one's gonna be around
If you think that you won't fall
Well, just wait until
Till the sun goes down
Underneath the starlight, starlight
There's a magical feeling so right
It'll steal your heart tonight
You can try to resist
Try to hide from my kiss
But you know, but you know that you
Can't fight the moonlight, deep in the dark
You'll surrender your heart
But you know, but you know (2)_____ you
