

Fill in the gaps

Can't Fight The Moonlight by LeAnn Rimes

Under a lovers' sky
Gonna be with you
And no one's gonna be around
If you think that you won't fall
Well, just (1)_____ until
Till the sun (2)_____ down
Underneath the starlight, starlight
There's a magical feeling so right
It'll steal your heart tonight
You can try to resist
Try to (3)_____ from my kiss
But you know, but you know that you
Can't fight the moonlight, deep in the dark
You'll (4)_____ your heart
But you know, but you know that you
Can't fight the moonlight, no
You can't fight it
It's gonna get to your heart
There's no escape (5)_____ love
Once a gentle breeze
Weaves its spell upon your heart
No (6)_____ what you think
It won't be too long
Till you're in my arms
Underneath the starlight, starlight
We'll be lost in the rhythm so right
Feel it steal your heart tonight
You can try to resist
Try to hide from my kiss
But you know, but you know that you
Can't fight the moonlight, deep in the dark

You'll surrender your heart
But you know, but you know that you
Can't fight the moonlight, no
You can't fight it
No (7)_____ what you do
The (8)_____ is gonna get to you
Don't try, you're never gonna win
Underneath the starlight, starlight
There's a magical feeling so right
It will steal your heart tonight
You can try to resist
Try to hide from my kiss
But you know, but you know that you
Can't fight the moonlight, deep in the dark
You'll surrender your heart
But you know, but you know that you
Can't fight the moonlight, no
You can't fight it
You can try to resist
Try to (9)_____ from my kiss
But you know
Don't you know that you can't
Can't fight the moonlight, deep in the dark
You'll surrender your heart
But you know, but you know that you
Can't fight the moonlight, no
You can't fight it
It's gonna get to your heart

Answer

1. wait
2. goes
