Can't Fight The Moonlight by LeAnn Rimes

Under a lovers' sky

Gonna be with you

And no one's gonna be around

If you think that you won't fall

Well, just wait until

Till the sun goes down

Underneath the starlight, starlight

There's a magical feeling so right

It'll steal your heart tonight

You can try to resist

Try to hide from my kiss

But you know, but you (1)_____ that you

Can't fight the moonlight, deep in the dark

You'll surrender your heart

But you know, but you know that you

Can't fight the moonlight, no

You can't fight it

It's gonna get to your heart

There's no escape from love

Once a gentle breeze

Weaves its (2)_____ (3)_____ your heart

No matter what you think

It won't be too long

Till you're in my arms

Underneath the starlight, starlight

We'll be lost in the rhythm so right

Feel it steal your heart tonight

You can try to resist

Try to hide (4)_____ my kiss

But you know, but you know that you

Can't fight the moonlight, deep in the dark

You'll surrender (5)_____ heart

But you know, but you know that you

Can't fight the moonlight, no

You can't fight it

No matter what you do

The night is gonna get to you

Don't try, you're never gonna win

Underneath the starlight, starlight

There's a magical feeling so right

It will steal your heart tonight

You can try to resist

Try to hide (6)_____ my kiss

But you know, but you know that you

Can't fight the moonlight, (7)_____ in the dark
