Erase Me ft. Kanye West by Kid Cudi

She said I don't spend time like I really should	'Cause I'm in the magazines, on the TV
She (1) she don't know me	No matter where you are, you might hear me
Anymore	I'm in the magazines, on the TV
I think she hates me deep down, I know she does	No matter (4) you go, you might see me (hello)
She wants to erase me	I'm Yeezy, she said, hi I'm Aria
A couple days no talking, I seen my baby	No, you an angel, you wave hi to Aaliyah
And this what she (2) me	I got a show in Korea, they (5) a new arena
She said	Why don't you come and watch a (****)
I keep on running, keep on running and nothing works	Tear the whole scene up
I can't get away from you	I know I seen you before but don't know where I seen you
Now, I keep on ducking, keep on ducking you, nothing helps	Oh I remember now, it's something (6) I dreamed
I can't stop missing you (yeah)	up
It's like I'm her new nightmare, she ain't escaping	Don C says she cool but don't let her (*****) her cream up
It makes me feel a bit complete	Monica (7) on the dress, she'll
(yeah)	(8) ya to the cleaner
Knowing someone you love	Sure enough a week later I'm an (9) love
Don't feel the same way about you	And everybody know she mine, so she extra plugged
Memories, they soon delete	Every bouncer, every club, show her extra love
A couple weeks no talking, I seen my baby	We just praying the new fame, don't get the best of us
I've missed you so damn much	But all good things gotta come to an end and
(Hey) I wish we could start over, I told my baby	She let it go to her head, no, not my Aria
This (3) this (*****) tells me	The height of her shopping was the writer's blocking me
She said	I couldn't get me (****) out, anyway, I hope you die Aria
I keep on running, keep on running and nothing works	I keep on running, keep on running and nothing works
I can't get away from you	I can't get away from you
Now, I keep on ducking, keep on ducking you, nothing helps	Now, I keep on ducking, keep on ducking you,
I can't stop missing you (yeah)	(10) helps
	I can't stop missing you
