Fill in the gaps

Lover Of The Light by Mumford & Sons

In the middle of the night	So love the one you hold
I may watch you go	And I'll be your gold
There'll be no value in the strength	To have and to hold
Of walls that I have grown	A lover of the light
There'll be no comfort in the shade	And in the middle of the night
Of the (1) thrown	I may watch you go
But I'll be (2) if you'll be mine	There'll be no value in the strength
Stretch out my life and pick the seams out	Of walls (8) I (9) grown
Take what you like, but close my ears and eyes	There'll be no comfort in the shade
Watch me stumble over and over	Of the shadows thrown
I have done wrong, you build (3) tower	You may not trust the promises
But call me home and I will build a throne	Of the (10) I'll show
And wash my eyes out never again	But I'll be yours if you'll be mine
But love the one you hold	So love the one you hold
And I'll be (4) gold	And I will be your gold
To have and to hold	To have and to hold
The lover of the light	A lover of the light
With skin too tight and eyes (5) marbles	So love the one you hold
You spin me (6) so watch me as I glide	And I will be your gold
Before I tumble homeward, homeward	To have and to hold
I know I tried, I was not stable	A lover of the light
Flawed by pride, I miss my sanguine eyes	
So (7) my hands up	
Breathe in, breathe out
