So hold my hands up Breathe in, breathe out

Fill in the gaps

Lover Of The Light by Mumford & Sons

In the middle of the night			So love the one you hold		
may (1) you go		And I'll be your gold			
There'll be no (2)	here'll be no (2) in the strength		To have and to hold		
Of walls (3) I have grown			A lover of the light		
There'll be no comfort in the shade			And in the middle of the night		
Of the shadows thrown			I may watch you go		
But I'll be yours if you'll be mine			There'll be no value in the strength		
Stretch out my life and	(4)	the seams out	Of (8)	_ (9)	I have grown
Take what you like, but close my ears and eyes			There'll be no comfort in the shade		
Watch me stumble over and over			Of the shadows thrown		
I have done wrong, you build your tower			You may not trust the promises		
But call me home and I will build a throne			Of the change I'll show		
And wash my eyes out never again			But I'll be yours if you'll be mine		
But love the one you hold			So love the one you hold		
And I'll be your gold			And I will be your gold		
To have and to hold			To have and to hold		
The lover of the light		A (10) of the light			
With (5) too tight and (6) like marbles			So love the one you hold		
You spin me high so (7) me as I glide			And I will be your gold		
Before I tumble homeward, homeward			To have and to hold		
I know I tried, I was not stable			A lover of the light		
Flawed by pride, I miss
