### Fill in the gaps

#### The Cave (Live) by Mumford & Sons

It's empty in the valley of your heart	On the noose (15) (16) neck
The sun, it rises slowly as you walk	And I'll find strength in pain
Away from all the fears	And I will change my ways
And all the faults you've left behind	I'll know my name as it's called again
The harvest left no food for you to eat	So come out of your cave (17) on you
You cannibal, you meat-eater, you see	hands
But I have seen the same	And see the world (18) upside down
I know the shame in (1) defeat	You can understand dependence when
But I will hold on hope	You know the maker's land
And I won't let you choke	So make your siren's call
On the noose around (2) neck	And sing all you want
And I'll (3) strenght in pain	I will not (19) what you have to say
And I will (4) my ways	'Cause I (20) freedom now
I'll know my name as it's called again	And I (21) to know how
'Cause I (5) other things to fill my time	To live my (22) as it's meant to be
You take (6) is (7) and I'll take mine	
Now let me at the truth	And I will (23) on hope
Which (8) refresh my (9) mind?	And I won't let you choke
So tie me to apost and block my ears	On the (24) (25) your neck
I can see (10) and orphans through my tears	And I'll (26) strenght in pain
I (11) my call despite my faults	And I (27) change my ways
And (12) my growing fears	I'll know my (28) as it's called again
But I (13) on hope	
And I won't let you choke
