But all the things that you've seen	(14) out
Will slowly fade away	And so (15) can wait
So I start a revolution (2) my bed	She knows it's too late as she's walking on by
'Cause you (3) the brains I had went to my head	My (16) slides away
Step outside, summertime's in bloom	But don't look (17) in anger
Stand up beside the fireplace	I heard you say
Take that look (4) off your face	So Sally can wait
You ain't ever gonna (5) my heart out	She knows it's too (18) as we're walking on by
And so Sally can wait	Her soul slides away
She knows it's too (6) as we're walking on by	But don't (19) back in anger
Her soul slides away	I (20) you say
But don't look back in anger	So (21) can wait
I heard you say	She knows it's too late as she's walking on by
Take me to the (7) where you go	My soul slides away
Where nobody (8) if it's night or day	But don't look (22) in anger
Please don't put your life in the hands	Don't look back in anger
Of a rock'n'roll band who'll (9) it all away	I heard you say
I'm (10) start the revolution from my bed	At least not today
'Cause you said the brains I had (11) to my head
