Don't Look Back In Anger by Oasis

Fill in the gaps

Slip inside the eye of your mind	Step outside 'cause summertime's in bloom
Don't you know you might find	Stand up beside the fireplace
A better place to play	Take that look from off your face
You said that you'd never been	'Cause you ain't ever gonna burn my heart ou
But all the things (1) you've seen	And so Sally can wait
Will slowly fade away	She knows it's too late as she's walking on by
So I (2) a revolution from my bed	My soul slides away
'Cause you (3) the brains I had went to my hea	ad But don't (8) back in anger
Step outside, summertime's in bloom	I heard you say
Stand up beside the fireplace	So Sally can wait
Take that look from off your face	She knows it's too late as we're walking on by
You ain't ever gonna burn my heart out	Her (9) slides away
And so Sally can wait	But don't look back in anger
She knows it's too late as we're walking on by	I heard you say
Her soul slides away	So Sally can wait
But don't look back in anger	She knows it's too late as she's walking on by
I heard you say	My soul (10) away
Take me to the (4) (5) you go	But don't look back in anger
Where nobody knows if it's night or day	Don't look back in anger
Please don't put (6) life in the hands	I heard you say
Of a rock'n'roll band who'll throw it all away	At least not today
I'm gonna start the (7) from my	bed
'Cause you said the brains I had went to my head
