

You say it best (you say it best...)

Fill in the gaps

When You Say Nothing At All by Ronan Keating

it's amazing now you can speak right to my neart	vvnen you say (5) at all
Without saying a word you can light up the dark	The smile on your (6) lets me know that you need
Try as I may I could (1) explain	me
What I hear when you don't say a thing	There's a (7) in your eyes saying you'll never
The smile on your face lets me (2) that you need	leave me
me	The (8) of (9) hand says you'll catch
There's a truth in your eyes saying you'll never leave me	me whenever I fall
The touch of your hand says you'll catch me whenever I fall	You say it best (you say it best)
You say it best	When you say nothing at all
When you say nothing at all	(You say it best, when you say nothing at all)
All day (3) I can hear people talking out loud (oh)	(You say it best, when you say nothing at all)
But when you hold me near (oh, hold me near)	The smile on your face (you say it best)
You drown out the crowd (drown out crowd)	The truth in your eyes (when you say nothing at all)
Try as they may they can never define	The touch of your hand (you say it best)
What's being said between your heart and mine	Let's me (10) that you need me ()
The smile on your face lets me know that you (4)	(You say it best, when you say nothing at all)
me	(You say it best, when you say nothing at all)
There's a truth in your eyes saying you'll never leave me	(You say it best, when you say nothing at all)
The touch of your hand says you'll catch me whenever I fall
