

## Fill in the gaps

| Day and (1)                                                  | (what, what)                          | He's all alone through the day and night                     |
|--------------------------------------------------------------|---------------------------------------|--------------------------------------------------------------|
| I toss and (2)                                               | I (3) stressing my mind               | The lonely loner seems to free his mind at night             |
| mind (what, what)                                            |                                       | At, at, at night                                             |
| I look for (4)                                               | but see, I don't attain (what, what)  | Day and night                                                |
| What I need for keeps, this silly game we play               |                                       | The lonely loner seems to free his mind at night             |
| Play                                                         |                                       | He's all alone, some things will (17) change                 |
| Now look at this (what, what)                                |                                       | (never change)                                               |
| Madness to magnet keeps attracting me, me (what, what)       |                                       | The lonely loner seems to free his mind at night             |
| I try to run but see I'm not (5) fast (what, what)           |                                       | At, at, at night                                             |
| I think I'm first but surely finish last, last               |                                       | Slow moe (what, what)                                        |
| 'Cause day and night                                         |                                       | When the (18) slows up and                                   |
| The lonely loner seems to free his mind at night             |                                       | (19) new, new                                                |
| He's all (6)                                                 | through the day and night             | He seems alive (21) he is feeling blue (what,                |
| The lonely (7)                                               | seems to free his mind at night       | what)                                                        |
| At, at, at night                                             |                                       | The sun is shining man he's super cool                       |
| Day and night                                                |                                       | Cool                                                         |
| The (8)                                                      | _ loner (9) to                        | The (22) nights (what, what)                                 |
| (10) his mind a                                              | at night                              | They (23) away, he slips (24) his white                      |
| He's all alone, some things will never change (never change) |                                       | Nikes (what, what)                                           |
| The lonely (11)                                              | seems to free his mind at night       | He smokes (****) and then he's on the way (what, what)       |
| At, at, at night                                             |                                       | To free his mind in search of                                |
| Hold the phone (what, what)                                  |                                       | To free his mind in search of                                |
| The lonely (*****) Mr. Solo Dolo (what, what)                |                                       | To free his mind in search of                                |
| He's on the move can't (12) to shake the shade               |                                       | Day and night                                                |
| (what what)                                                  |                                       | The lonely loner seems to free his (25) at night             |
| Within his dreams he sees the life he made                   |                                       | He's all alone (26) the day and night                        |
| Made                                                         |                                       | The lonely loner seems to free his mind at night             |
| The pain is (13)                                             | _ (what, what)                        | At, at, at night                                             |
| A silent sleeper, you won't hear a peep, (14) (what,         |                                       | Day and night                                                |
| what)                                                        |                                       | The lonely loner seems to free his mind at night             |
| The girl he wants don't seem to want him too (what, what)    |                                       | He's all alone, some things will never change (never change) |
| It (15) the feelings that she had are through                |                                       | The lonely loner seems to free his (27) at night             |
| Through                                                      |                                       | At, at, at nigh                                              |
| 'Cause day and night                                         |                                       |                                                              |
| The (16)                                                     | loner seems to free his mind at night |                                                              |
