

## Fill in the gaps

And in (1) eyes	Falling like a star
I see ribbons of color	Finding a belief
I see us	Falling (15) you are
Inside of each other	Catch me, don't let me drop
I feel my unconscious merge with yours	Love me, don't ever stop
And I (2) a voice say	So close your eyes
What's his is hers	And let me kiss you
I'm falling (3) you (falling into you)	And while you sleep
This (4) (5) come true	l will (16) you
And it feels so (6) (falling (7) you)	I'm (17) into you (falling into you)
Falling into you	This (18) could (19) true
I was afraid (I was afraid)	And it (20) so (21) (falling
To let you in here	(22) you)
Now I have learned	Falling (23) you
Love can't be made in fear	Falling like a leaf
The walls begin to (8) down	Falling like a star
And I can't even	Finding a belief
See the ground	Falling where you are
I'm (9) into you (falling into you)	Falling (24) you
This (10) come true	Falling into you
And it feels so (12) (falling (13) you)	Falling (25) you
Falling into you	
Falling (14) a leaf
