

Fill in the gaps

Hands Clean by Alanis Morissette

If it weren't for your maturity	And you've washed your hands clean of this
None of (1) (2) (3)	What part of our history's re-invented and under rug swept
happened	What part of your (14) is selective and tends
If you weren't so wise beyond your years	to forget
I would've been able to (4) myself	What with this distance it (15) so obvious
If it weren't for my attention	Just make sure you don't tell on me
You wouldn't have been successful, and if	Especially to (16) of your family
If it weren't for me, you would never	We best keep this to ourselves
Have amounted to very much	And not tell any members of our inner posse
This could be messy, but	I wish I could tell the world
But you don't seem to mind, and	'Cause you're such a (17) thing
Don't go telling everybody, and	When you're done up properly
And over-look this (5) crime	I might wanna marry you one day
We'll fast forward to a few years later, and	If you'd watch (18) weight and you keep
And no one knows (6) the both of us	(19) firm body
And I have honored (7) request for silence	This could be messy
And you've washed your (8) clean of this	I don't seem to mind
You're (9) an employee	Don't go telling everybody, and
And I (10) you having to depend on me	Over-look this supposed crime
You're a kind of protégé and one day you'll say	We'll (20) forward to a few years later, and
You learned all you know from me, and	No one knows except the both of us
And I know you depend on me	And I (21) honored your request for silence
Like a young (11) (12) to a	And you've washed (22) hands clean of this
guardian	This could get messy, but
I know you sexualize me	I don't seem to mind
Like a young thing would and I think I like it	Don't go telling everybody, and
This could get messy, but	Over-look (23) supposed crime
You don't seem to mind	We'll fast (24) to a few years later, and
Dude, don't go telling everybody, and	No one knows (25) the both of us
Over-look this supposed crime	And I have honored your request for silence
We'll fast forward to a few years later, and	And you've washed your hands (26) of this
No one knows except the both of us	
I've (13) than honored your request for silence
