## Falling Down by Scarlett Johansson

nave come (1) nundred (2) just to	Failing down
see a halo	Falling down, falling down
Come from Saint Petersburg, Scarlett and me	Go on down to that (6) ball
Well I open my eyes, I was blind as can be	Come swinging along
When you give a man luck	Everyone knew that hotel was a goner
He must fall in the sea	They broke all the windows
And she (3) you to steal and get caught	They took all the door knobs
For she loves you for all that you are not	They hauled it away
Falling down	In a couple of days
Falling down, falling down	Now (7) yell timber
Falling down	And (8) off your hat
You forget all the roses don't come around on Sunday	It's a lot smaller down here on the ground
She's not gonna (4) you for standing so tall	Falling down
Go on and take a swig of (5) poison and like it	Falling down, falling down, (9) down
Don't ask for silverware	
Don't ask for nothing	
Go on, put your ear to the ground
