## If I Could Turn Back The Hands Of Time by R. Kelly

How did I ever let you slip away	Turn back the hands of time
Never knowing	Then my darling you
I'd be singing this song (1) day	You would be mine
And now I'm sinking	(Whoa)
Sinking to rise no more	If I could turn
Ever since you	Turn back the hands of time
Closed the door	Then my darling you
If I could turn	Still be mine
Turn (2) the hands of time	Oh, I'd never hurt you (if I could turn back)
Then my darling you'd	Never do you (6) (if I could turn back)
Still be mine	And never leave your side (if I could turn back)
If I could turn	Turn back the hands (the hands)
Turn back the hands of time	There'd be nothing I wouldn't do for you
Then darling you	Forever honest and true to you (if I could turn back)
You'd still be mine	If you accept me back
Funny	In your heart, I love you (if I could turn back the hands)
Funny how time goes by	And I love you (if I could turn back)
And blessings are missed	That would be my will (if I could turn back)
In the wink of an eye	Darling I'm begging you
Why oh, why oh, why	To take me by the hand (if I could turn back)
Should one have to go on suffering	I'm going down, yes I am (if I could turn back)
When every day I pray	Down on my bended knee (if I could turn back)
Please come back to me	And I'm (7) be right there (if I could turn back)
If I could turn	Until you return to me (the hands)
Turn back the hands of time	If I (if I could turn back)
Then my darling you	Could just turn back that little clock on the wall
You (3) be mine	Then I'd come to realize how much (if I could (8)
If I could turn	back)
Turn back the hands of time	I love you (if I (9) turn back)
Then my darling you'd	Love you (if I could turn back)
Still be mine	Love you (if I could turn back)
And you had enough love	Love you (if I could turn back the hands)
For the (4) of us	Love you (if I could turn back)
But I	If I could turn back
I, I did you wrong, I admit I did	If I could turn back the hands
But now I'm facing the rest of my life alone	

- 1. some
- 2. back
- 3. would
- 4. both
- 5. could
- 6. wrong
- 7. gonna
- 8. turn
- 9. could
