We've got the vision	We'll find some more models
Now let's (5) some fun	Everything must run it's course
Yeah, it's overwhelming	We'll choke on our vomit
But what (6) can we do	And that will be the end
Get jobs in offices	We were fated to pretend
And wake up for the morning commute	To pretend
Forget about our mothers and our friends	We're fated to pretend
We're fated to pretend	To pretend
To pretend	I said yeah, yeah
We're fated to pretend	Yeah, yeah,
To pretend	Yeah, yeah,
I'll miss the playgrounds and the animals	Yeah, yeah,
And digging up worms	
I'll miss the comfort of my mother	
And the (7) of the world
