SUB inglés

Let's rip them down

And leave the town before the cops can call

Fill in the gaps

Love Will Tell Us Where to Go (Acoustic) by Bridgit Mendler

I know exactly how you feel	And bring us back
It doesn't matter (1) you say	Cover our tracks in the dust
I see the sun begin to set	I think we must
And we gotta, gotta get away	Take on the world
I gotta patch of open road	Let's go crazy
I (2) miss you with all of my soul	Love will tell us where to go
So before we (3) get old	I'll be your girl, be my baby
I think we gotta, gotta get away	Love will tell us where to go
I (4) wishing for all the tickets	(Oh oh oh) through a dark night
Stack 'em on my wall	(Oh oh oh) without a sunrise
Let's rip them down	(Oh oh oh) and we will be alright
And leave the town before the cops can call	Love will tell us where to go
And bring us back	Love will tell us where to go
Cover our tracks in the dust	Love will tell us where to go
I think we must	When things get rough
Take on the world	When we have loved
Let's go crazy	We've got enough to tell us where to go
Love will tell us where to go	When we get lost
I'll be your girl, be my baby	When (7) is all (oh) that we got
Love will tell us where to go	To tell us where to go
(Oh oh oh) through a dark night	Then we're alright
(Oh oh oh) without a sunrise	We'll be alright
(Oh oh oh) and we will be alright	Tell us (8) to go
Love will tell us where to go	Then we're alright
Love will tell us where to go	We'll be alright
Love will tell us where to go	Love (9) tell us where to go
The wheels on this train keep turning	Take on the world, let's go crazy
We're (5) with the birds and	Love will tell us where to go
The worlds so bright it hurts when	I'll be your girl, be my baby
We're on the getaway	Love will tell us where to go
I'm the (6) to your Clyde	(Oh oh oh) through a dark night
You're the mood and I'm the tide, I	(Oh oh oh) without a sunrise
I want this for all of my life	(And we will be alright)
Since the night that we got away	Love will tell us where to go
I keep wishing for all the tickets	
Stack 'em on my wall
