Love Will Tell Us Where to Go (Acoustic) by Bridgit Mendler

I know exactly how you feel
It doesn't matter what you say
I see the sun begin to set
And we gotta, (1)_____ get away
I gotta patch of open road
I already miss you (2)_____ all of my soul
So before we (3)_____ get old
I think we gotta, gotta get away
I keep (4)_____ for all the tickets
Stack 'em on my wall
Let's rip (5)_____ down
And leave the town before the (6)_____ can call
And bring us back
Cover our tracks in the dust
I think we must
Take on the world
Let's go crazy
Love will (7)_____ us where to go
I'll be your girl, be my baby
Love will tell us where to go
(Oh oh oh) through a dark night
(Oh oh oh) without a sunrise
(Oh oh oh) and we will be alright
Love (8)_____ tell us where to go
Love will tell us where to go
Love will tell us where to go
The wheels on this train keep turning
We're (9)_____ with the birds and
The worlds so bright it hurts when
We're on the getaway
I'm the Bonnie to your Clyde
You're the (10)_____ and I'm the tide, I
I want this for all of my life
Since the night that we got away
I keep wishing for all the tickets
Stack 'em on my wall
Let's rip (11)_____ down
And leave the town before the cops can call
And bring us back
Cover our tracks in the dust
I think we must
Take on the world
Let's go crazy
Love will (12)_____ us where to go
I'll be your girl, be my baby
Love will tell us where to go
(Oh oh oh) through a dark night
(Oh oh oh) without a sunrise
(Oh oh oh) and we will be alright
Love (13)_____ tell us where to go
Love (14)_____ tell us where to go
Love (15)_____ (16)_____ us (17)_____ to go
When things get rough
When we have loved
We've got enough to tell us where to go
When we get lost
When love is all (oh) (18)_____ we got
To (19)_____ us where to go
Then we're alright
We'll be alright
Tell us where to go
Then we're alright
We'll be alright
Love will tell us where to go
Take on the world, let's go crazy
Love (20)_____ tell us (21)_____ to go
I'll be (22)_____ girl, be my baby
Love (23)_____ tell us (24)_____ to go
(Oh oh oh) through a dark night
(Oh oh oh) without a sunrise
(And we will be alright)
