

Fill in the gaps

Small Bump (Acoustic) by Ed Sheeran

You're (1) a small (2) unborn	Cos you are my one and only
In four (3) you're brought to life	You can (19) your fingers round my thumb
You might be (4) with my hair	And hold me tight
But you'll (5) your mother's eyes	(Oh) you are my one and only
I'll (6) your (7) in my hands, be as	You can (20) your fingers round my thumb
gentle as I can	And hold me tight
But for now your (8) of my (9)	And you'll be alright
plans	You can lie (21) me
Just a small bump	With (22) tiny (23) (24)
In four months, you'll open (10) eyes	you're half asleep
And I'll hold tightly, I'll give you nothing but truth	I'll leave you be
If you're not inside me, I'll put my future in you	Right in front of me for a couple weeks
Cos you are my one and only	So I can keep you safe
You can wrap your fingers (11) my thumb	Cos you are my one and only
And hold me tight	You can (25) your fingers round my thumb
Oh you are my one and only	And hold me tight
You can (12) your fingers round my thumb	(Oh) you are my one and only
And hold me tight	You can wrap your (26) round my thumb
You'll be alright	And hold me tight
Oh you're just a small (13) unknown	And you'll be alright
You'll grow into your skin	Cos you were just a small bump unborn
With a smile like hers	For four months (27) torn from life
And a dimple (14) your chin	And maybe you were needed up there
Finger nails the (15) of a (16) grain of	But we're still unaware as why
rice and	
Eyelids closed to be soon opened wide	
A small bump, in four months you'll open your eyes	
And I'll (17) you tightly, I'll give you nothing but	
truth	
If you're not (18) me, I'll put my future in you
