Small Brumo (Acquisite)

Fill in the gaps

Small Bump (Acoustic) by Ed Sheeran

You're just a small bump unborn	Cos you are my one and only
In four moths you're brought to life	You can wrap your fingers round my thumb
You might be (1) with my hair	And hold me tight
But you'll have your mother's eyes	(Oh) you are my one and only
I'll hold your body in my hands, be as gentle as I can	You can wrap your fingers round my thumb
But for now your scan of my unmade plans	And hold me tight
Just a (2) bump	And you'll be alright
In four months, you'll open your eyes	You can lie with me
And I'll hold tightly, I'll give you nothing but truth	With your tiny feet when you're half asleep
If you're not inside me, I'll put my future in you	I'll leave you be
Cos you are my one and only	Right in front of me for a (6) weeks
You can wrap your fingers round my thumb	So I can keep you safe
And hold me tight	Cos you are my one and only
Oh you are my one and only	You can wrap your fingers round my thumb
You can wrap your fingers round my thumb	And hold me tight
And hold me tight	(Oh) you are my one and only
You'll be alright	You can wrap your fingers (7) my thumb
Oh you're just a small bump unknown	And hold me tight
You'll grow into your skin	And you'll be alright
With a smile like hers	Cos you (8) just a small (9) unborn
And a dimple beneath your chin	For four months then torn from life
Finger nails the (3) of a half grain of rice and	And maybe you were needed up there
Eyelids closed to be soon opened wide	But we're still unaware as why
A small bump, in (4) months you'll open	
(5) eyes	
And I'll hold you tightly, I'll give you nothing but truth	
If you're not inside me, I'll put my future in you
