

Fill in the gaps

I (1) (2) blue eyes	What I (19) have said
How you kiss me at night	No, I never told you
I (3) the way we sleep	I (20) it in
Like there's no sunrise	And now
Like the (4) of your smile	I miss everything (22) you
I miss the way we breathe	I can't believe that I (23) (24) you
But I never (5) you	And after all the things we've been through
What I (6) have said	I (25) everything about you
No, I (7) told you	Without you
I just (8) it in	(Oh no, no)
And now	But I never told you
I miss everything about you	What I should have said
I can't (9) (10) I still	No, I (26) told you
(11) you	I just held it in
And after all the things we've been through	And now
l (12) (13)	I miss everything about you
(14) you	I can't believe that I still want you
Without you	And (27) all the things we've been through
I see your blue eyes	I miss everything (28) you
Everytime I (15) mine	Without you
You (16) it hard to see	
Where I belong to	
When I'm not around you	
It's (17) I'm alone with me	
But I (18) told you
