

Fill in the gaps

This One by Paul McCartney

(This one, this one, this one)

Did I ever

Take you in my arms

Look you in the eye

Tell you that I do

Did I ever

Open up my heart

And let you look inside

If I never did it

I was only waiting

For a better moment

That didn't come

There never could be

A better moment

Than this one, this one

The swan is gliding

Above the ocean

A god is riding

Upon his back

How calm the water

And bright the rainbow

Fade this one to black

Did I ever

Touch you on the cheek

Say that you were mine

Thank you for the smile

Did I ever

Knock upon your door

And try to get inside

If I never did it

I was only waiting

For a better moment

That didn't come

There never could be

A better moment

Than this one, this one

The swan is gliding

Above the ocean

A god is riding

Upon his back

How calm the water

And bright the rainbow

Fade this one to black

Feeling like the timing wasn't quite right

What (2)_____ of magic might

Have (3)_____ if we had stayed calm
