Fill in the gaps

A god is riding

Did I ever	Upon his back
Take you in my arms	How calm the water
Look you in the eye	And bright the rainbow
Tell you that I do	Fade this one to black
Did I ever	What opportunities did we allow to flow by
Open up my heart	Feeling like the timing wasn't quite right
And let you look inside	What kind of magic might
If I never did it	Have worked if we had stayed calm
I was only waiting	Couldn't I have given you a better life
For a better moment	Did you ever
That didn't come	Take you in your arm
There never could be	Look me in the eye
A better moment	And tell me that you do
Than this one, (1) one	Did I ever
The swan is gliding	Open up my heart
Above the ocean	Let you look inside
A god is riding	If I never did it
Upon his back	I was only waiting
How calm the water	For a better moment
And bright the rainbow	That didn't come
Fade this one to black	There never could be
Did I ever	A (7) moment
Touch you on the cheek	Than this one, (8) one
Say (2) you were mine	The swan is gliding
Thank you for the smile	Above the ocean
Did I ever	A god is riding
Knock upon your door	Upon his back
And try to get inside	How calm the water
If I (3) did it	And bright the rainbow
I was (4) waiting	Fade (9) one to black
For a better moment	The swan is gliding
That didn't come	A god is riding
There never (5) be	Calm the water
A better moment	Bright the rainbow
Than (6) one, this one	
The swan is gliding	
Above the ocean
