

Above the ocean

## Fill in the gaps

(This one, this one, (1) one)	A god is riding	
Did I ever	Upon his back	
Take you in my arms	How (5) the water	
Look you in the eye	And bright the rainbow	
Tell you that I do	Fade (6) one to black	
Did I ever	What (7)	did we allow to
Open up my heart	flow by	
And let you look inside	Feeling like the timing wasn't quite right	
If I never did it	What kind of magic might	
I was only waiting	Have worked if we had stayed calm	
For a better moment	Couldn't I have given you a better life	
That didn't come	Did you ever	
There never could be	Take you in your arm	
A better moment	Look me in the eye	
Than this one, this one	And (8) me that you do	
The (2) is gliding	Did I ever	
Above the ocean	Open up my heart	
A god is riding	Let you (9) inside	
Upon his back	If I never did it	
How calm the water	I was only waiting	
And bright the rainbow	For a better moment	
Fade this one to black	That didn't come	
Did I ever	There never could be	
Touch you on the cheek	A better moment	
Say that you were mine	Than this one, this one	
Thank you for the smile	The swan is gliding	
Did I ever	Above the ocean	
Knock upon your door	A god is riding	
And try to get inside	Upon his back	
If I never did it	How calm the water	
I was only waiting	And bright the rainbow	
For a (3) moment	Fade (10) one to black	
That didn't come	The swan is gliding	
There never could be	A god is riding	
A (4) moment	Calm the water	
Than this one, this one	Bright the rainbow	
The swan is gliding
