### Fill in the gaps

### Elephant Love Medley by Ewan McGregor & Nicole Kidman

Love is a many splendored thing, love	Love lifts us up (4) we belong!
Lifts us up where we belong	Where eagles fly
All you need is love!	On a (5) high!
Please, don't start that again	Love makes us act like we are fools
All you need is love!	Throw our lives away
A girl has got to eat!	For one happy day
All you need is love!	We could be heroes
She'll end up on the street!	Just for one day
All you need is love!	You, you (6) be mean
Love is just a game	No, I won't
I was made for loving you baby	And I, I'll (7) all the time
You were made for loving me	We should be lovers
The only way of loving me baby	We can't do that
Is to pay a lovely fee	We should be lovers!
Just one night	And that's a fact
Give me (1) one night	Though nothing, would keep us together
There's no way	We could (8) time
'Cause you can't pay	Just for one day
In the (2) of love!	We could be heroes
One night in the name of love!	Forever and ever
You crazy fool	We could be heroes
I won't give in to you	Forever and ever
Don't, leave me this way	We can be heroes
I can't survive, without your sweet love	Just because I will always (9) you.
(Oh) baby, don't leave me this way	I can't help loving
You'd think that people	You
Would've had enough of silly love songs	How wonderful life is
I look around me and I see it isn't so (oh no)	Now you're in
Some people wanna fill the world with silly love songs	The world
Well what's (3) with that?	
I'd like to know	
'Cause here I go again
