Take time to realize		That we'd be perfect for each other
That your warmth is		And we'll never find another
Crashing (1) on me		Just realize
Take time to realize		What I just realized
That I am on your side		We'd (6) have to wonder
Well didn't I, didn't I tell you		If we missed out on each other, but
But I can't spell it out for you		It's not the same
No it's never gonna be that simple		No it's never the same
No I can't spell it out for you		If you don't (7) it too
If you just realize		If you (8) me half way
What I (2) realized		If you would meet me half way
That we'd be (3) for (4) c	other	It could be the same for you
And we'll never find another		If you just realize
Just realize		What I just realized
What I (5) realized		That we'd be perfect for each other
We'd never have to wonder		And we'll never (9) another
If we missed out on each other, now		Just realize
Take time to realize		What I just realized
(Oh oh) I'm on your side		We'd never (10) to wonder
Didn't I, didn't I tell you		Just realize
Take time to realize		What I just realized
This all can pass you by		If you just realize
Didn't I tell you		What I just realized
But I can't spell it out for you		Missed out on each other now
