## A Dustland Fairytale by The Killers

	But she was looking for a nightgown
A (1) fairytale beginning	I saw the (19) up his
Or just another white (2) county kiss	hands
In '61 long brown (3) and (4)	He's getting (21) for the showdown
eyes	I saw the ending when they (22) the page
He looked just like you'd want him to	I took my (23) and I ran away
Some (5) of (6) chrome American	Straight to the valley of the great divide
Prince	Out where the dreams are high
A blue (7) serenade	Out where the wind don't blow
And (8) (9) (10) you do to	Out here the good girls die
me	And the sky won't snow
And I don't believe you	Out here the birds don't sing
Saw Cinderella in a (11) dress	Out (24) the fields don't grow
But she was looking for a nightgown	Out here the bell don't ring
I saw the (12) wrapping up his hands	Out here the bell don't ring
He's (13) (14) for the	Out here the good girls die
showdown	Now (25) don't you go to sleep
I saw the minute that I turned away	It's such a bitter form of refuge
I got my (15) on a palm tonight	(Oh) don't you know the kingdom's (26) siege
Change came in disguise of revelation	And everybody needs you
Set his soul on fire	Is there still magic in the midnight sun
She says she always knew he'd come around	Or did you leave it back in '61?
And the decades disappear like sinking ships	In the cadence of a young man's eyes
But we (16) God gives us hope	I wouldn't (27) so high
But we still fear what we don't know	
The (17) is poison	
Castles in the sky sit stranded vandalized	
A drawbridge is closin'	
Saw Cinderella in a (18) dress
