Tranquilize by The Killers & Lou Reed

Time it tells living in my nome town	Acid rain, (15) Abel looked up at Cain
Wedding bells, they begin easy	We began the weeping and wailing
Live it down, (1) don't talk that much	A hurried high from (16) pills and
Baby knows, but (2) don't tease me	pride
In the park we could go walking	It's a shame, we could have gone sailing
Drowned in the dark	But heaven knows
Or we could go sailing on the sea	Heaven knows everything
Always here, always on time	Tranquilize
Close call, was it love or was it just easy?	I got this feeling that they're (17) break down the
Money (3) when people need shoes and socks	door
Steady boys, I'm (4) she needs me	I got this feeling that they're gonna come back for more
I was (5) sipping on (6)	See I was thinking (18) I (19) my mind
sweet	But it's been getting to me all this time
I don't need (7) process	And it don't stop dragging me down
I got this feeling that they're gonna break down the door	Silently reflection turns my (20) to stone
I got this feeling that they're gonna (8) back for	Patiently (21) leaves us all alone
more	And sometimes I'm a travel man
See I was thinking (9) I lost my mind	But (22) this engine's failing
But it's been getting to me all this time	I (23) hear the children playing
And it don"t stop dragging me down	Dead (24) dancers, come to us and stay
Silently reflection turns my world to stone	'Cause I don't (25) (26) you've been
Patiently correction leaves us all alone	And I don't care what you've seen
And sometimes I'm a (10) man	We're the ones who (27) believe
But tonight this engine's failing	And we're looking for a page
I still hear the (11) playing	In (28) lifeless book of hope
Kick the can, kick the can	Where a dream might help you cope
Skip and blackjack	With the Bushes and the bombs
Steal a car and (12) a round-rosey	Tranquilize
Rock and roll, candyland, boogeyman	
Run (13) and (14) me your sneakers
