## ¡Happy Birthday Guadalupe! by The Killers

Well I woke up Christmas morning		"Baby will you marry me for just one dance?"		
And what did I see?		Infatuation, the things you say		
I saw a lovely señorita looking back at me		I got scared and I left that night		
Named Guadalupe		'Cause we are living' in a difficult time		
With big brown eyes		We've been walking down a difficult line		
Boy what did you do this time?		Put (5) feet up baby, it's Christmas time		
Made my excuses		(Cumpleaños feliz)		
And a beeline for the bedroom door		Happy Birthday Guadalupe		
She was begging' and a-pleading, screaming		Deck the halls with rosaries		
("Por favor, mi cumpleaños")		Wish upon a Christmas tree		
Stay with me		Silent night please come to me		
Baby it's cold outside		Bearing gifts from my		
We are living' in a difficult time		My Mexican angel		
We've been walking' down a difficult line		At (6) I wake up cold and lonely
