¡Happy Birthday Guadalupe! by The Killers

Well I (1) up Christmas morning	"Baby will you marry me for (12) one dance?"
And what did I see?	Infatuation, the (13) you say
I saw a lovely (2) (3)	I got scared and I left that night
(4) at me	'Cause we are living' in a difficult time
Named Guadalupe	We've (14) walking down a difficult line
With big brown eyes	Put your feet up baby, it's (15) time
Boy what did you do this time?	(Cumpleaños feliz)
Made my excuses	Happy Birthday Guadalupe
And a beeline for the bedroom door	Deck the halls with rosaries
She was begging' and a-pleading, screaming	Wish upon a Christmas tree
("Por favor, mi cumpleaños")	Silent night (16) come to me
Stay with me	Bearing gifts from my
Baby it's cold outside	My Mexican angel
We are living' in a difficult time	At night I wake up cold and lonely
We've been walking' down a difficult line	Busting at the seams
Put your feet up baby, it's Christmas time	She (17) the early morning hours
(Cumpleaños feliz)	Of December dreams
Happy Birthday Guadalupe	My Guadalupe, with big (18) eyes
(Our time (5) come)	I wanna break the spell tonight
(Oh oh oh we (6) (7) on)	'Cause we are living' in a difficult time
She gave me coffee and tortillas	We've been walking' down a (19) lin
To (8) my head	Put (20) feet up baby, it's Christmas time
Then (9) the slippers on my feet	(Cumpleaños feliz)
Before she made our bed	Happy Birthday Guadalupe
And blew the candles from her favourite cake	Happy Birthday Guadalupe
And we (10) beneath the mistletoe	
I pulled her body (11) to mine	
And I had just one chance	
I whisper
