

Fill in the gaps

So you sailed away	And it might take some (5) to
Into a (1) sky morning	Patch me up inside
Now I'm here to stay	But I (6) it so I
Love can be so boring	I run away and hide
And nothing's quite the same now	And I might find in time that
I just say your (2) now	You were always right
But it's not so bad	You're always right
You're only the best I ever had	So you sailed away
You don't want me back	Into a grey sky morning
You're just the best I ever had	Now, I'm here to stay
So you stole my world	Love can be so boring
Now I'm just a phony	Was it (8) you wanted?
Remembering the girl	Could it be I'm haunted?
Leaves me down and loney	But it's not so bad
Well send it in a letter	You're only the best I ever had
Make yourself feel better	You dont (9) me back
But it's not so bad	You're just the best I (10) had
You're only the best I ever had	You're just the best I ever had
You dont want me back	
You're (3) the best I (4) had
