

Fill in the gaps

When (1)	become hours	But it all doesnt seem to matter anymore
When days become years		When you kissed me on that street
And I dont know where you are		I kissed you back
Color seems so dull without you		You held me in your arms, I held you in mine
Have we lost our minds?		You picked me up to lay me down
What have we done?		When I look into your eyes
But it all doesnt seem to matter anymore		I can hear you cry
When you (2) me on that street		For a little bit more of you and I
I kissed you back		I'm drenched in (8) love
You held me in your arms, I (3) you in mine		I'm no longer able to hold it back
You (4) me up to lay me down		When you kissed me on that street
When I look into your eyes		I kissed you back
I can hear you cry		You held me in your arms, I held you in mine
For a little bit (5) of you and I		You picked me up to lay me down
I'm drenched in your love		When I look into your eyes
I'm no longer able to hold it back		I can hear you cry
Is it too (6) to ask for love?		For a little bit (9) of you and I
Is it wrong to feel right?		I'm drenched in your love
When the world is (7)	down	I'm no longer able to (10) it back
Thoughts of you linger are	ound	
Have we lost our minds?		
What have we done?		

But it all doesnt seem to matter anymore		
When you kissed me on that street		
I kissed you back		
You held me in your arms, I held you in mir		
You picked me up to lay me down		
When I look into your eyes		
I can hear you cry		
For a little bit more of you and I		
I'm drenched in (8) love		
I'm no longer able to hold it back		
When you kissed me on that street		
I kissed you back		
You held me in your arms, I held you in mine		
You picked me up to lay me down		
When I look into your eyes		
I can hear you cry		
For a little bit (9) of you and I		
I'm drenched in your love
