

Fill in the gaps

When minutes become hours	But it all (12) seem to matter anymore
When days (1) years	When you kissed me on that street
And I (2) know (3) you are	I (13) you back
Color seems so dull without you	You (14) me in (15) arms, I held you in
Have we (4) our minds?	mine
What have we done?	You picked me up to lay me down
But it all (5) to matter anymore	When I (16) (17) your eyes
When you kissed me on (7) street	I can (18) you cry
I kissed you back	For a (19) bit more of you and I
You held me in your arms, I held you in mine	I'm drenched in your love
You (8) me up to lay me down	I'm no longer able to hold it back
When I look (9) your eyes	When you (20) me on that street
I can hear you cry	I kissed you back
For a little bit more of you and I	You held me in (21) arms, I (22) you in
I'm drenched in your love	mine
I'm no longer (10) to hold it back	You picked me up to lay me down
Is it too late to ask for love?	When I (23) into your eyes
Is it wrong to feel right?	I can (24) you cry
When the (11) is winding down	For a (25) bit more of you and I
Thoughts of you linger around	I'm drenched in (26) love
Have we lost our minds?	I'm no longer able to hold it back
What have we done?	

Fill in the gaps

- 1. become
