

Fill in the gaps

When minutes become hours		But it all doesnt seem to matter anymore		
When days become years		When you kissed me on that street		
And I dont know where you are		I kissed you back		
Color (1)	so dull without you	You held me in your arms, I held you in mine		
Have we lost our minds?		You picked me up to lay me down		
What have we done?		When I look into your eyes		
But it all doesnt seem to matter anymore		I can hear you cry		
When you kissed me on (2) street		For a little bit more of you and I		
I kissed you back		I'm drenched in your love		
You held me in (3)	arms, I held you in mine	I'm no longer able to hold it back		
You picked me up to lay me down		When you kissed me on that street		
When I look into your eyes		I kissed you back		
I can hear you cry		You held me in your arms, I held you in mine		
For a little bit (4)	of you and I	You picked me up to lay me down		
I'm drenched in your I	love	When I (8)	into (9)	eyes
I'm no longer (5) to hold it back		I can hear you cry		
Is it too late to ask for love?		For a little bit more of you and I		
Is it wrong to feel right?		I'm drenched in your love		
When the world is winding down		I'm no longer able	to (10)	it back
