

Fill in the gaps

vvrapped in a blanket of nope	in a while my nower
Asleep in the bed of dreams	Somewhere in a desert haze
My step into eternity	I know one day you'll amaze me
Was not what it might have been	2 hearts in the hands of time
Or not at all	Your love bleeds into mine
For who (1) which way the wind is gonna blow	I'll be with you forever
I'm waiting for your gentle whisper	And give you everything I am
Distant child, my flower	Want you to understand
Are you blowing in the breeze?	It's you and I together
Can you feel me?	Distant child, my flower
As I breathe life into you	Are you blowing in the breeze?
In a while my flower	Can you feel me?
Somewhere in a desert haze	As I breathe (6) into you
I (2) one day you'll amaze me	In a (7) my flower
An act of balancing, imagining	Somewhere in a desert haze
The moment I can be	I know one day (8) amaze me
Looking deep into (3) eyes	(Distant child, my flower)
For now a mystery	(Are you blowing in the breeze?)
Or not at all	(Can you feel me?)
For who knows which way the wind is gonna blow	(As I (9) life into you)
I'm waiting for (4) (5) whisper	(In a while my flower)
Distant child, my flower	(Somewhere in a desert haze)
Are you blowing in the breeze?	I know one day you'll amaze me
Can you feel me?	
As I breathe life into you
