

## Fill in the gaps

Wrapped in a (1) of hope	In a (17) my flower
Asleep in the bed of dreams	Somewhere in a desert haze
My step (2) eternity	I know one day you'll amaze me
Was not (3) it (4) have been	2 (18) in the hands of time
Or not at all	Your love (19) (20) mine
For who knows which way the wind is gonna blow	I'll be with you forever
I'm (5) for your gentle whisper	And give you everything I am
Distant child, my flower	Want you to understand
Are you blowing in the breeze?	It's you and I together
Can you feel me?	Distant child, my flower
As I (6) life (7) you	Are you (21) in the breeze?
In a (8) my flower	Can you feel me?
Somewhere in a (9) haze	As I breathe life into you
I know one day (10) amaze me	In a (22) my flower
An act of balancing, imagining	Somewhere in a desert haze
The moment I can be	I (23) one day (24) amaze me
Looking deep into (11) eyes	(Distant child, my flower)
For now a mystery	(Are you blowing in the breeze?)
Or not at all	(Can you feel me?)
For who (12) (13) way the wind is	(As I (25) life into you)
gonna blow	(In a while my flower)
I'm (14) for your gentle whisper	(Somewhere in a (26) haze)
Distant child, my flower	I know one day you'll amaze me
Are you (15) in the breeze?	
Can you feel me?	
As I breathe life (16) you
