## Sunshine & City Lights by Greyson Chance

It's taking us downtown	'Cause baby, I wanna stay
You're watching me, watching me	(Oh) stay
Watching me go	What you (4) to know
But I never listen	Is you tried to let it go, let it go
No, I'll never let you know	What you need to find
Now we're heading uptown	Is someone who will never let you go
Is their something or nothing	No! And sunshine and city lights
You wanted to say	Will guide you home
'Cause I need to go now	(Oh oh oh) and you gotta know
Do you want me to stay	That I'll (5) let you go
Stay	Sunshine and city (6) (ooh)
What you need to know	Sunshine and city lights
Is you tried it let it go, let it go	What you need to know
What you need to find	Is you tried to let it go, let it go
Is someone who will never let you go	What you need to find
No	Is someone who will never let you go
And sunshine and city lights will guide you home	What you need to know
(Oh oh oh)	Is you (7) to let it go, let it go
Yeah, you (1) know	What you need to find
That I'll never let you go	Is someone who will never let you go
I'll never let you go	No! And sunshine and city lights
Now we're (2) in midtown	Will (8) you home
Surrounded by people and nothing but sound	And (oh oh oh)
And we're going nowhere	But you (9) know
We are the lost and found	That I'll never let you go
We're all over (3) town is	
Is there something or nothing you wanted to say	
Do you want me to go now?
