

Fill in the gaps

He Didn't Have To Be by Brad Paisley

When a single mom goes out on a date with			I met the girl that's now my wife	
Somebody new			About three (11) ago	
It (1)	(2)	_ up	We had the perfect marriage but	
(3)	(4) like		We wanted something more	
A job interview			Now (12) I stand (13)	_ by
My (5)	(6) to wonder		our (14) and friends	
If she'd ever meet someone			Crowded 'round the nursery window	
Who wouldn't find out about me and then			As they (15) the baby in	
Turn (7) and run			And now, all of a sudden	
I met the man I call my dad			(Oh) it seems so strange to me	
When I was five (8) old			How we've gone (16) something's	
He took my mom out to a movie			Missing to a family	
And for (9) I got to go			Looking (17) the glass, I think	
A few months later, I remember			About the man that's (18) next to me	;
Lying there in bed			And I (19) I'm at least (20) the dad	
I overheard him pop the question			That he didn't (21) to be	
And I prayed that she'd say yes			And looking back all I can say about	
And then, all of a sudden			All the (22) he did for me	
(Oh) it (10)	so strange to me		Is I hope I'm at least	
How we went from something's			Half the dad that he didn't have to be	
Missing to a family			Because he didn't (23) to be	
Looking back, all I can say about			You know he didn't have to be	
All the things he did fo	or me			
Is I hope I'm at least				
Half the dad that he di	idn't have to be
