Can't Get My Head Around You by The Offspring

Deep inside your soul, there's a hole	What's really going on inside you
You don't wanna see	I can't get my head around you
Every single day, what you say	All your feeding
Makes no sense to me	
Even though I try	Shows you're bleeding
I can't get my head around you	
Somewhere in the night, there's a light	Deep inside your soul, there's a hole
In front of me	You don't (6) see
Heaven up above, (1) a shove	Covering it up, like a cut
Abandons me	With the (7) of me
And even (2) I try	You know I've really tried
I fall in ther (3) of you	I can't do anymore about you
You've managed to bring me (4) too	The cut's getting deeper
All (5) faking	The hill's getting steeper
	I guess I'll (8) know
Shows you're aching	What's really going on inside you
	I can't get my head (9) you
Every single day, what you say	I can't get my (10) around you
Makes no sense to me	I can't get my head around you
Letting you inside isn't right	I can't get my head around you
Don't mess with me
